

Objective

Amazing high resistance body in a tested IP 65; which means we are speaking about a ceiling light, mainly decorative, with all the characteristics to be fixed outside, in any canopy, for instance. IP 65 means the item is highly resistant to hard meteorological conditions and highly humid weather. The design is very simple and beautiful, available in both parallelepiped and cylindrical shape. The finish is high quality and thought to be perfect in every detail.

Obiettivo

Fantastico corpo ultra resistente in un testato addirittura IP 65; il che significa che si sta parlando di una luminaria da soffitto, per lo più a scopo decorativo, con tutte le caratteristiche per poter essere fissata all'esterno, in balcone, per esempio. IP 65 significa che l'articolo è altamente resistente alle avverse condizioni meteorologiche e spiccatamente umide. Il design è molto semplice e bellissimo, disponibile in entrambe le sue forme: parallelepipedica e cilindrica. La finitura è di alta qualità e pensata per essere perfetta in ogni dettaglio.

Description

Housing - Die cast aluminium powder coated with choice of RAL colors

Diffuser - Tempered clear glass.

Reflector - Anodized aluminum reflector.

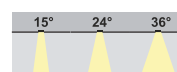

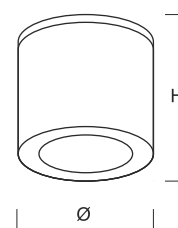

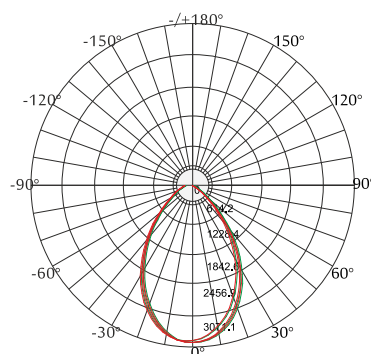

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with tested as per PTPS IEC 62722
