

**Objective**

The classic design in round o square shape is making the luminaire distinguished and stylish. Thanks to the heat sink design and the LED system, this luminaire is as durable as high efficiency; the colour temperature and the colour rendering index are maintained constant for the whole lifespan. The polycarbonate opal diffuser guarantees no glare effect in a wide angle of bright, uniform, relaxing light. The built-in high efficient Roma Luce driver is a classy incisive touch. The most common applications are in shops, hotels, home, offices, restaurants and supermarkets.

**Obiettivo**

Il classic design di forma rotonda o quadrata rende la luminaria distinta e di stile. Grazie al design del dissipatore ed il sistema LED, questa luminaria è tanto durevole quanto altamente efficiente; il colore di temperatura e l'indice di resa cromatica sono mantenuti costanti per la completa durata di funzionamento. Il diffusore opaco in policarbonato garantisce l'assenza dell'effetto abbagliamento in un ampio angolo di luce brillante, uniforme e rilassante. Il driver integrato Roma Luce ad alta efficienza è un incisivo tocco di classe. Gli impieghi più diffusi sono in negozi, alberghi, case, uffici, ristoranti e supermercati.

**Description**

**Housing** - Injected aluminium with PVC coated with choice of RAL colors.

**Diffuser** - Polycarbonate opal diffuser.

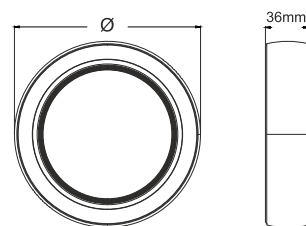

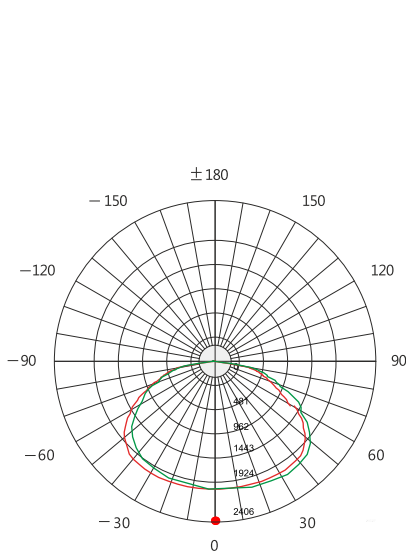

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

**Standards** - manufactured in accordance with tested as per PTPS IEC 62722
