

Objective

Extra easy to install with C type connectors for all accessories and power supply as well make the full system easy to move and customize in full safety also for inexpert users. The profile is practically tool-less installation with application valid on both concrete and cement board ceiling and walls. This Elegant choice gives a modern architectural touch on any indoor environment, thanks to the profile's extra slim design. The fixtures are applied on the profile through strong magnet making the renovation or change of location easier than ever. A full choice range of compatible fixtures for o match different designs and different light effect and lighting function.

Obiettivo

L'installazione extra semplice possibile grazie alla connessione di tipo C che caratterizza tutti gli accessori e persino l'alimentatore led rende questo sistema facile da posizionare e personalizzare in totale sicurezza anche per gli utenti meno esperti. L'installazione è praticabile senza l'impiego di attrezzi speciali e può essere realizzata su soffitti e pareti sia in calcestruzzo che in cemento. Questa opzione elegante assicura un tocco architettonico moderno a qualunque ambiente grazie al design extra sottile del profilo. Le luminarie vengono installate sui profili tramite un potente magnete, cosicché la possibilità di un rinnovo od un cambio di posizionamento siano facilissimi e pertanto a portata di utente in qualunque momento. Un ventaglio di scelta per quanto riguarda le luminarie compatibili, tra le quali si annovera in ampia scelta di design, effetti di luce e funzionalità.

Description

Housing - This new surface mounted magnetic track in ultra slim design which is up to 5mm thickness. Adopting with high quality aluminium to enhance intensity. It is figured with Type-C plug and play system.

Color - Black & White

Surface Mounted	CODE	SIZE mm
	3122-003	300 X 32.6 X 5 H
	3122-006	600 X 32.6 X 5 H
	3122-012	1200 X 32.6 X 5 H
