

Objective

The quality of LED branded chip, the warranty of our technical specialized department, the promise you will love it. With a high efficiency LED system, which gives high performance in low consumptions. With a special anti-glare effect in a luminaire which is pure brightness. The anodized reflector with many colour options lets you play a little with the item look. Practical, classic, functional. Suitable for many applications the advanced lower anodized reflector gives a better control of flux.

Obiettivo

La qualità del chip LED di marca, la garanzia del nostro dipartimento tecnico specializzato, la promessa che lo amerai. Con un sistema LED ed alta efficienza, che dà alte prestazioni in bassi consumi. Con uno speciale effetto anti abbagliamento in una luminaria che è pura lucentezza. Il riflettore anodizzato con varie opzioni di colore lascia giocare un po' con l'aspetto dell'articolo. Adatto per vari impieghi.
