

**Objective**

Adjustable special new design with very slim edge is thought with the purpose to match all the requirements for hotels, retail shop and public areas. The high efficiency lumen output is ensured thanks to the LED technology and the anti-glare effect is ensured thanks to the opal polycarbonate lens. The light effect is homogeneous, smooth and pleasant, perfect for all the environments which require relaxing and comfortable feelings.

**Obiettivo**

Nuovo design regolabile e speciale con I bordi molto sottili, è pensato con lo scopo di centrare le esigenze di alberghi, negozi commerciali, aree pubbliche. L'alta efficienza in lumen è assicurata grazie alla tecnologia LED e l'effetto anti abbagliamento è assicurato grazie alle lenti in policarbonato opaco. L'effetto di luce è omogeneo, soffuso e piacevole, perfetto per gli ambienti ove è richiesto un clima rilassante e confortevole.

**Description**

**Housing** - Die cast aluminium housing with choice of RAL finish powder coating.
