

Objective

The series, available in different heights both with the option of clear or opal diffuser to decide the light effect is most liked, is characterized by classic design and high efficiency LED system. The light source, which is an E27 LED bulb, delivers excellent performance of brightness, pureness and uniformity of the emitted light. Many applications, especially in private gardens, public parks, and livable little squares.

Obiettivo

La serie, disponibile in diverse altezze con l'opzione sia del diffusore trasparente che opaco per decidere l'effetto luminoso più gradito, è caratterizzata dal design classico e dal sistema LED ad alta efficienza. La sorgente luminosa, che è una lampadina LED E27, offre prestazioni eccellenti di luminosità, purezza e uniformità della luce emessa. Molte applicazioni, specialmente in giardini privati, parchi pubblici e piccole piazze vivibili.
