

**Objective**

Innovated parallelepiped shape for this new idea of light design. Here you can match the technical and "green" requirements thanks to the LED technology (which guarantees high light efficiency and energy savings), the architectural needs thanks to the quality and resistance of the materials making the lamp body, the fashion victim fancies thanks to the impeccable design. The product is suitable for applications in shops, bar, houses, libraries and showrooms.

**Obiettivo**

Innovativa forma parallelepipedica per questa nuova idea di design. Qui si possono centrare i requisiti tecnici e "verdi" grazie alla tecnologia LED (che assicura elevata efficienza luminosa e risparmio energetico), i bisogni architettonici grazie alla qualità e la resistenza dei materiali che compongono il corpo della luminaria, gli sfizi dei appassionati di moda grazie all'impeccabile design. L'articolo è adatto per l'impiego in negozi, bar, case, biblioteche e stanze per l'esposizione.

**Description**

**Housing** - Die cast aluminum housing with solvent free powder coating.

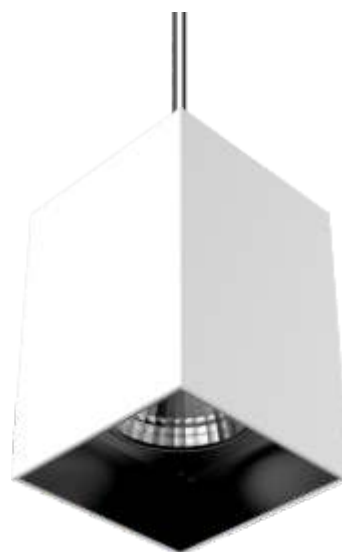

**Diffuser** - Clear tempered glass.

**Reflector** - Aluminum anodized reflector.

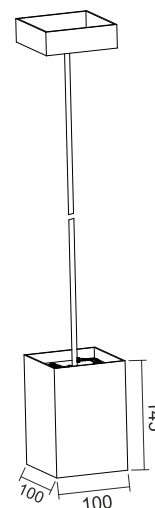

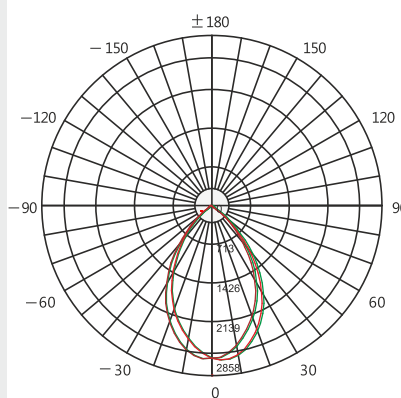

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

**Standards** - manufactured in accordance with tested as per PTPS IEC 62722
