

**Objective**

The new generation of bollard lights with the captivating design and the option of the motion sensor, for everyone who desires to save energy and money without the need of remembering about turning the lights on or off. The integrated sensor is specialized to detect the darkness and to turn on when it's necessary. It will turn off automatically once the sunlight will come out again. The item is useful, but most of all is intelligent.

**Obiettivo**

La nuova generazione di pali luminosi con il design accattivante e l'opzione del sensore di movimento, per tutti coloro che desiderano risparmiare energia e denaro senza la necessità di ricordare di accendere e spegnere le luci. Il sensore integrato è specializzato per rilevare l'oscurità e accendersi quando è necessario. Si spegnerà automaticamente una volta che la luce solare sarà di nuovo fuori. L'articolo è utile, ma soprattutto intelligente.

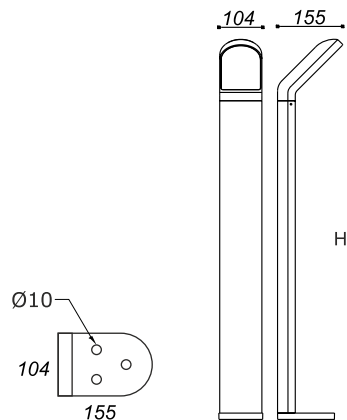

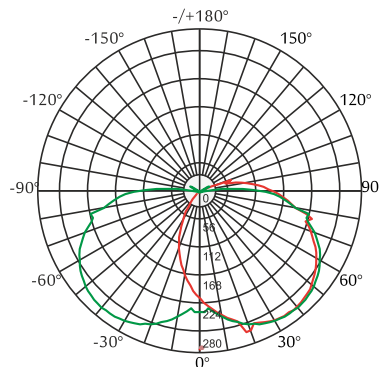

**Description**

- Housing** - Made of dia cast aluminum powder coated with choice of RAL colors
- Diffuser** - Frosted tempered glass.
- LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.
- Standards** - manufactured in accordance with EN 60598-1 and 60598-2-1
- Accessories** - IR or MOTION SENSOR.
