

**Objective**

Classic shape and minimal design are enclosing here a high efficiency and high powerful LED dispatch system with powerful heat system which is basic to ensure as the high efficiency of the device in lumen output as the energy savings and the payback timing. The item comes equipped with reflector and optical or with Opal polycarbonate diffuser. Suitable for many and different applications with light uniformity of distribution finally, Eleonora is ideal products for small area, Big area, lobby, low & high ceiling mounting due to the multi-lumen you can have from one family of recessed downlights.

**Obiettivo**

La forma classica e il design minimale racchiudono qui un sistema di invio LED ad alta efficienza e potente con un potente sistema di calore che è fondamentale per garantire l'elevata efficienza del dispositivo nell'emissione del lume come il risparmio energetico e i tempi di ammortamento. L'articolo è dotato di riflettore e ottica o con diffusore in policarbonato opale. Adatto a molti e diversi applicazioni con leggera uniformità di distribuzione.

**Description**

**Housing** - Die cast aluminium powder coated with choice of RAL colors

**Diffuser** - Polycarbonate PMMA optical lens or tempered glass diffuser.

**Reflector** - Pure anodized aluminum reflector.

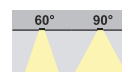

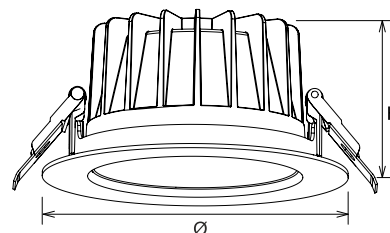

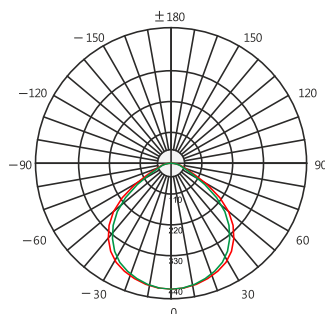

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

**Standards** - manufactured in accordance with tested as per PTPS IEC 62722
