

**Objective**

The Sinuo LED Outdoor Wall light is a low-profile, energy-efficient outdoor light that really packs a punch. Its compact cylindrical body (made of Solid die-cast aluminum construction) houses a recessed integrated LED source, preventing glare and hotspot issue once lit, and ensuring warm, comfortable and homogeneous light. Can be installed both vertically and horizontally, giving you convenient control of your lighting environment.

**Obiettivo**

La lampada da parete per esterni Sinuo LED è una luce per esterni a basso profilo ed efficienza energetica racchiusa davvero in un pugno. Il suo corpo cilindrico compatto (realizzato in alluminio pressofuso solido) ospita una sorgente LED integrata a incasso, che evita il problema dell'abbagliamento e della formazione di punti caldi una volta accesa, e garantisce una luce calda, confortevole e omogenea. Può essere installato sia verticalmente che orizzontalmente, offrendo un comodo controllo del proprio ambiente di illuminazione.

**Description**

**Housing** - Made of die cast aluminum powder coated with choice of RAL color

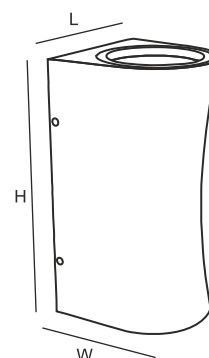

**Diffuser** - Transparent tempered glass diffuser specially for LED

**Reflector** - Anodized specular aluminum.

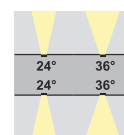

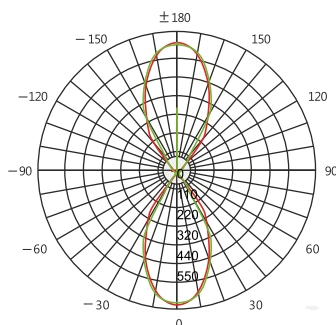

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

**Standards** - manufactured in accordance with tested as per PTPS IEC 62722
