

Objective

The Spillo series is built to stand up to the elements with an integrated cowl and aluminum housing that are designed to be resistant long time in hard conditions. A textured powder coat gives this spotlight a tough finish. The LED is high efficiency and long lasting and it guarantees high performance while saving energy. The product is strong and sturdy, so it is a reliable and lasting light for the outdoors.

Obiettivo

La serie Spillo è costruita per resistere agli elementi con un cappuccio integrato e alloggiamenti interamente in alluminio progettati per resistere a lungo in condizioni difficili. Un rivestimento in polvere strutturato conferisce a questo riflettore una finitura dura. Il LED è ad alta efficienza e di lunga durata e garantisce alte prestazioni risparmiando energia. Il prodotto è forte e robusto, quindi è una luce affidabile e duratura per l'esterno.

Description

Housing - Die cast aluminium powder coated with choice of RAL colors

Diffuser - Tempered clear glass.

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with tested as per PTPS IEC 62722

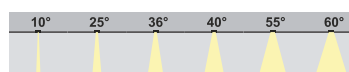

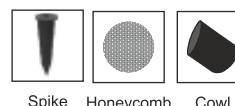

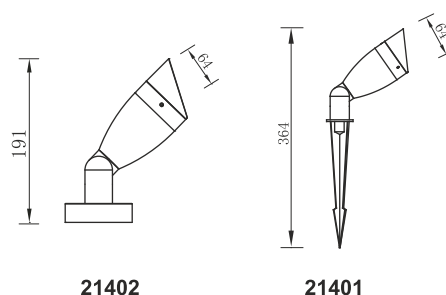

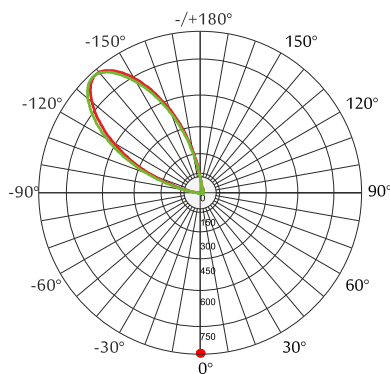

Supplied with spike or surface mounting kit.

Accessories - Spike, mounting surface, honeycomb, cowl.
