

Objective

Made of aluminium and covered in resistant polycarbonate diffuser, the item is solid, tough and durable: its life is 5 time more of the metal-halide (MH) lights. This item make the choice to switch to LED technology very easy, and the very simple installation with low maintenance is a plus. The high efficiency of the LED system here mounted provides high lumen performances and considerable energy saving.

Obiettivo

Realizzato in alluminio e rivestito in resistente diffusore in policarbonato, l'articolo è solido, resistente e durevole: la sua durata è 5 volte più delle luci alogenuari metallici (MH). Questo articolo rende la scelta per passare alla tecnologia LED molto semplice, e l'installazione molto semplice con una bassa manutenzione è un vantaggio. L'alta efficienza del sistema LED qui montato offre alte prestazioni lumen e un notevole risparmio energetico.

Description

Housing - Extruded aluminium powder coated with choice of RAL colors

Diffuser - Polycarbonate semi frosted (woven) diffuser.

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with tested as per PTPS IEC 62722.

Accessories - Mounting brackets.
