

Objective

A practical and versatile down light supplied with a powerful LED source. The special gimbal system light design, allowing very soft movement and adjusting mounting, gives flexibility at the lumen output flux direction. The optional black or white ring gives an exclusive touch to the item's design. Specially designed for retail outlets, shopping malls and jewellery shops, it's ideal for angled ceilings, wall wash indoor applications, highlighting function (accent light).

Obiettivo

Una pratica e versatile luminaria da soffitto alimentata da una potente sorgente LED. Lo speciale sistema cardanico nel design della luminaria, concedendo movimenti molto dolci, dà flessibilità alla direzione della luce in uscita. L'opzionale anello nello dà un tocco esclusivo al design dell'articolo. Appositamente disegnato per negozi di vendita al dettaglio, centri commerciali e gioiellerie, è ideale per i soffitti angolari, le applicazioni su facciata interna, funzioni di evidenziazione (luce d'accento).

Description

Housing - Die cast aluminium powder coated with choice of RAL colors
