

**Objective**

Owing to our years of experience, we are able to offer the CHROMIK line of in-ground light. Superior quality raw material and high edge machines are used in the manufacturing process. The products here offered are in strict compliance with the global quality standards. This products are acknowledge for their features like shock resistance, rust proof and durability, all in the small size.

**Obiettivo**

Grazie alla nostra esperienza pluriennale, siamo in grado di offrire la linea di luci incassate a pavimento Chromix. Nel processo di produzione vengono utilizzate materie prime di qualità superiore e macchine di alto livello. I prodotti qui offerti sono in stretta conformità con gli standard di qualità globali. Questi prodotti sono riconosciuti per le loro caratteristiche come resistenza agli urti, resistenza alla ruggine e durata, il tutto nella piccola dimensione.

**Description**

**Housing** - Injection brass cooper molded, reinforced polymer sealed with silicon gasket rubber with high corrosion resistance stainless steel screws.

**Diffuser** - Tempered clear or frosted glass diffuser specially for LED

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

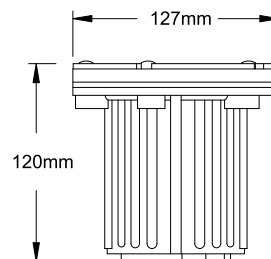

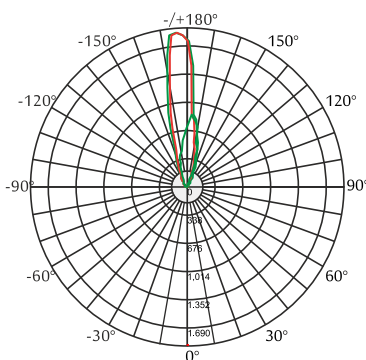

**Standards** - manufactured in accordance with EN 60598-1 and 60598-2-1

**Accessories** - Recessed PVC box, honeycomb, prismatic spread lens.
