

Objective

A wide choice of wattage options plus the chance to decide between reflector or opal diffuser to reply ad every question. The high quality of the materials and the finish are ratifying this item as high quality, high resistance and long lasting one. Thanks to its design and the advanced technologies contained inside it, this item guarantees high lumen output with no glare effect and homogeneous enlightenment.

Obiettivo

Una vasta scelta di opzioni nel wattaggio più l'opportunità di decidere tra riflettore o diffusore opaco per rispondere ad ogni domanda. L'alta qualità dei materiali e della finitura sanciscono questo prodotto come di alta qualità, alta resistenza e lunga vita. Grazie al suo design ed alle avanzate tecnologie in esso racchiuse, l'articolo garantisce un'alta resa in lumen senza effetto abbagliante ed un'illuminazione omogenea.

Description

Housing - Die cast aluminium powder coated with choice of RAL colors

Diffuser - Optical PMMA lens.

Reflector - Polished specular anodized aluminium.

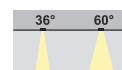

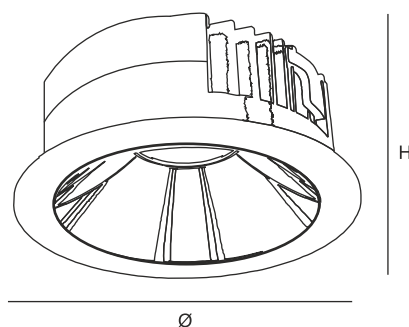

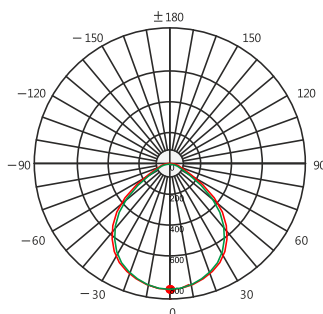

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with tested as per PTPS IEC 62722
