

**Objective**

All the sfinge family wears the signature of quality and beauty of a regnant in the spotlights world. Available in a choice of options in a matter of design and power, plus the chance to more than easily replace the LED source with another one, same or different it will be. This item is pure functionality and adaptable to every requirement. The high efficiency of the LED source ensures excellent performances and low consumptions. Energy and economy savings are a little advantage compared to the design of this item, which makes technicians and artists in love with it.

**Obiettivo**

Tutta la famiglia sfinge porta la firma della qualità ed eleganza di un regnante nel mondo dei faretti da incasso. Disponibile in una scelta di opzioni per quanto concerne il design e la potenza, più l'opportunità di sostituire più che facilmente la sorgente LED con un'altra, sia essa uguale o differente. Questo articolo è pura funzionalità ed adattabile per ogni esigenza. La sorgente LED ad alta efficienza assicura eccellenti performance e bassi consumi. Risparmio energetico ed economico sono niente più che un piccolo vantaggio se comparati al design di questo prodotto, che si fa amare sia dai tecnici che dagli artisti.

**Description**
