

Objective

The remarkable efficiency and photometric diversity of the Apostrofo range enables installations to be considered at heights of up to 8 metres. The Apostrofo luminaire is designed for lateral (various types) or top mounting on the poles. With built in driver and high efficiency LED technology, this luminaire is suitable to illuminate every street and square with high lighting performances.

Obiettivo

La notevole efficienza e diversità fotometrica della gamma Apostrofo consente di valutare le installazioni ad altezze fino a 8 metri. L'apparecchio Apostrofo è progettato per il montaggio laterale (vari tipi) o superiore sui pali. Con il driver integrato e la tecnologia LED ad alta efficienza, questa luminaria è adatta per illuminare ogni strada e piazza con alte prestazioni illuminotecniche.

Description

Housing - Made of die cast aluminum powder coated with choice of RAL colors

Diffuser - Clear tempered glass with PMMA optical lens

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with EN 60598-1 and 60598-2-1
