

Objective

The full TORINO MAGNETE series comes from one basic idea: the freedom to position the lights as you want in the track and move them anytime you like to. This idea has become reality thanks to the magnet at the top of all the products of this series. Our new system is really innovative and the installation is something you can manage by yourself for how easy is it. TORINO MAGNETE is a spot projector, combinable system for track. Resulting recessed in the track itself, is a discreet and elegant solution even between a linear and the other.

Obiettivo

L'intera serie TORINO MAGNETE nasce da un'idea di base: la libertà di posizionare le luci come si desidera in pista e di spostarle in qualsiasi momento. Questa idea è diventata realtà grazie al magnete nella parte superiore di tutti i prodotti di questa serie. Il nostro nuovo sistema è davvero innovativo e l'installazione è qualcosa che puoi gestire da solo per quanto è facile. TORINO MAGNETE è un proiettore spot, sistema combinabile per binario. L'incasso risultante nella traccia stessa, è una soluzione discreta ed elegante anche tra un lineare e l'altro.

Description

- Housing** - Die cast aluminium with option of black & white finish.
- Diffuser** - Tempered clear glass
- Reflector** - Anodized aluminium reflector
- LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.
- Standards** - manufactured in accordance with EN 60598-1 and 60598-2-1
