

**Objective**

Today the first goal of interior lighting is the search for maximum visual wellbeing that takes on different meanings depending on the contexts where the lighting fixture is installed. In the retail sector, from large shopping centres to small shops, lighting is the central element around which the right system should be designed in order to create a pleasant and inviting environment.

**Obiettivo**

Oggi il primo obiettivo dell'illuminazione interna è la ricerca del massimo benessere visivo che assume significati diversi a seconda dei contesti in cui è installato il dispositivo di illuminazione. Nel settore della vendita al dettaglio, dai grandi centri commerciali ai piccoli negozi, l'illuminazione è l'elemento centrale attorno al quale dovrebbe essere progettato il sistema giusto per creare un ambiente piacevole e invitante.

**Description**

**Housing** - Die cast aluminium powder coated with choice of RAL colors

**Diffuser** - Opal polycarbonate PMMA diffuser.

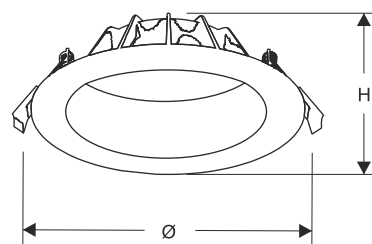

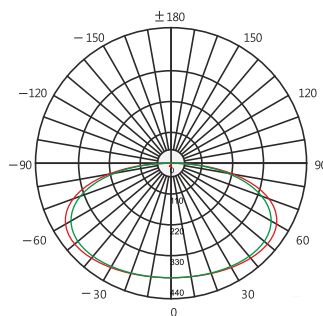

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

**Standards** - manufactured in accordance with tested as per PTPS IEC 62722
