

Objective

Friuli is a baby item because of its really small size, but you do not fall in the illusion, because it's a very strong, solid and trustable product, featured by long working life span, high resistance to heavy weights and hard climatic condition. The energy saving is guaranteed thanks to the LED high efficiency, which delivers in low consumptions very high lighting results.

Obiettivo

Friuli è un articolo "baby" a causa delle sue dimensioni davvero ridotte, ma non cadere nell'illusione, perché è un prodotto molto forte, solido e affidabile, caratterizzato da una lunga durata di funzionamento, elevata resistenza a pesi consistenti e condizioni climatiche difficili. Il risparmio energetico è garantito grazie all'elevata efficienza del LED, che garantisce bassi consumi con risultati di illuminazione molto elevati.

Description

Housing - Die cast aluminum housing with aluminum alloy 6061 trim with silicon gasket rubber.

Diffuser - Tempered Glass diffuser specially for LED with PMMA optical lens.

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

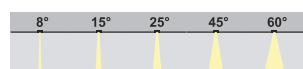

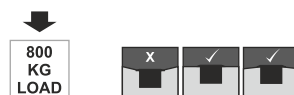

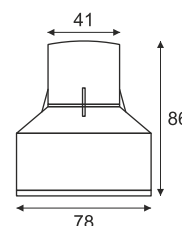

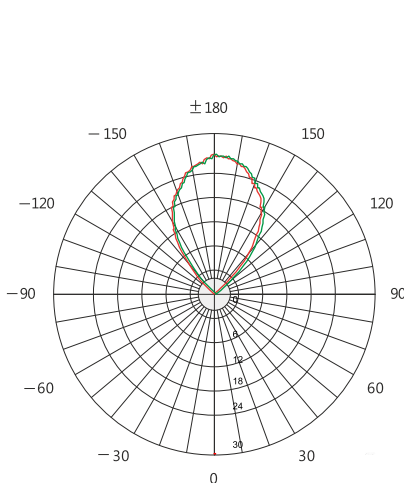

Standards - manufactured in accordance with EN 60598-1 and 60598-2-1

Accessories- Recessed PVC box.
