

Objective

The classic elegant design of this spotlight is the result of very well prepared adjustable staff and an excellent raw materials choice. The aluminium heat sink is an insurance in a matter of safety. The finish, meticulously arranged till the last detail, is a warranty of beauty. The COB LED is specially chosen to provide high lumen results in uniform and pleasant light effect. The long working life helps to make the payback time shorter and to keep the maintenance needs at the minimum.

Obiettivo

Il design classico ed elegante di questo faretto da incasso è il risultato di uno staff molto ben preparato e di una scelta eccellente delle materie prime. Il dissipatore in alluminio è un'assicurazione in termini di sicurezza. La finitura, meticolosamente pianificata sino all'ultimo dettaglio, è una garanzia di bellezza. Il LED COB è specialmente selezionato per provvedere elevati risultati lumen in una luce uniforme e piacevole. La lunga vita di funzionamento del prodotto aiuta a ridurre il tempo di "ripago" dell'articolo ed a tenere la manutenzione a livelli minimi.

Description

Housing - Plastic thermal trim with aluminium heat sink

Diffuser - Clear tempered or frosted glass as option.

Reflector - Pure anodized aluminum reflector.

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

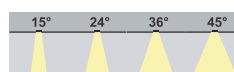

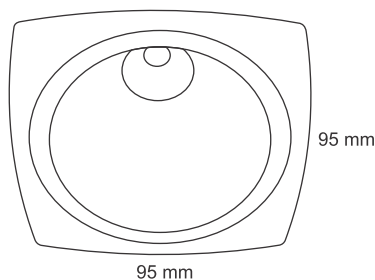

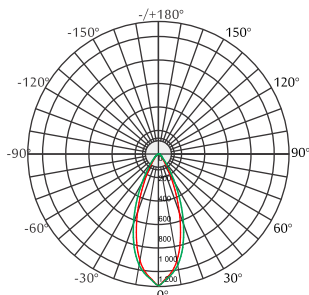

Standards - manufactured in accordance with tested as per PTPS IEC 62722, EN 60598-1

Adjustable function of inner trim.
