

**Objective**

A wide choice of wattage options plus the chance to decide between reflector plating option of chrome, gold etc. to answer all architect selection of designs. The high quality of the materials and the finish are ratifying this item as high quality, high resistance and long lasting one. Thanks to its design and the advanced technologies contained inside it, this item guarantees high lumen output with low glare effect and homogeneous enlightenment.

**Obiettivo**

Un'ampia scelta di opzioni di potenza oltre alla possibilità di decidere tra l'opzione di placcatura del riflettore di cromo, oro ecc. Per rispondere a tutte le selezioni di design di architetti. L'alta qualità dei materiali e la finitura stanno ratificando questo articolo come di alta qualità, alta resistenza e lunga durata. Grazie al suo design e alle tecnologie avanzate contenute al suo interno, questo articolo garantisce un elevato flusso luminoso con un basso effetto di abbagliamento e un'illuminazione omogenea.

**Description**

**Housing** - Die cast aluminium powder coated with choice of RAL colors

**Diffuser** - Transparent polycarbonate or tempered glass.

**Reflector** - Anodized aluminum reflector.

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

**Standards** - manufactured in accordance with tested as per PTPS IEC 62722
