

Objective

Shielded LED bollard with wide beam light distribution for a high degree of illuminance on the ground surface. A reflector directs the light directly onto the surface to be illuminated. Robust and striking luminaires that can divide up and structure outdoor spaces. They have an orienting, guiding and demarcating function. For the illumination of squares entrance or rectangular it's a perfect choice

Obiettivo

Dissuasore a LED schermato con distribuzione della luce a fascio largo per un elevato grado di illuminamento della superficie del terreno. Un riflettore dirige la luce direttamente sulla superficie da illuminare. Apparecchi di illuminazione robusti e sorprendenti che possono dividere e strutturare gli spazi esterni. Hanno una funzione di orientamento, guida e delimitazione. Per l'illuminazione di quadrati o ingressi rettangolari è una scelta perfetta

Description

Housing - High purity aluminium profile powder coated with choice of RAL colors

Diffuser - Tempered clear glass with optical lens with pure aluminium anodized.

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with tested as per PTPS IEC 62722

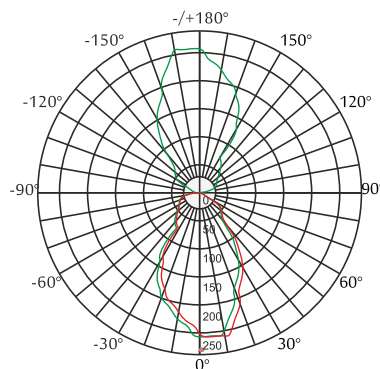

bollards are bolted with a mounting plate onto a foundation provided by the customer or an anchorage unit made of hot-dip galvanized steel.

Anchorage units are accessories and must be ordered separately
