

Objective

With ideal of size and design, this range is suitable for every pedestrian wall, parking ramp. The high quality of the raw materials ensures high resistance to dust, extraneous corps in general, humidity and water. The LED system is highly efficient to provide excellent luminous flux results in low consumptions. The item presents also features as easy installation and low maintenance requirements.

Obiettivo

Con tre scelte di taglia e design, questa gamma è adatta a ogni parete. L'alta qualità delle materie prime garantisce un'elevata resistenza a polvere, corpi estranei in genere, umidità e acqua. Il sistema LED è altamente efficiente per fornire un flusso luminoso eccellente con bassi consumi. L'articolo presenta anche caratteristiche quali facilità di installazione e scarsa necessità manutenzione.

Description

Housing - Die cast aluminium powder coated with choice of RAL colors

Diffuser - Tempered glass diffuser.

Reflector - Anodized die cast aluminium.

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with tested as per PTPS IEC 62722

Colors - Dark Grey, Silver, White, Black, Rust
