

Objective

Minimal design a small size with 350 degrees of movement freedom, plus an high efficient LED chip, which ensure high brightness with uniform and homogeneous light while saving energy and costs. The item is available in black or white finish, in three different options: track installation, ceiling recessed installation, ceiling surface installation. The purpose of many installation options is to permit to have a projector, with all its characteristics and advantages, wherever we have diminished spaces or whenever the client simply doesn't like the track system.

Obiettivo

Design minimalista e taglia piccolo con 350 gradi di libertà nei movimenti, più il chip LED ad alta efficienza, che assicura elevata luminosità con luce uniforme ed omogenea risparmiando allo stesso tempo energia e costi. L'articolo è disponibile in rivestimento bianco o nero, in tre opzioni differenti: installazione su guida/binario, incasso su soffitto, superficiale su soffitto. Lo scopo dei vari tipi di installazione è di permettere di avere un proiettore, con tutte le sue caratteristiche ed i suoi vantaggi, ovunque si trovi spazi ridotti o nel caso al cliente semplicemente non piaccia il sistema a guida/binario.

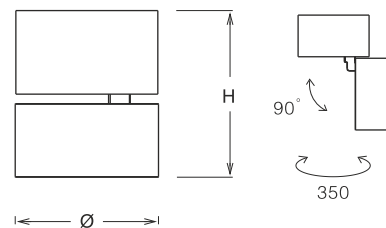

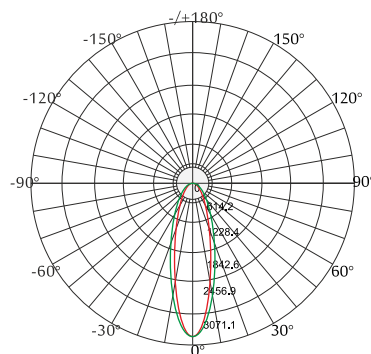

Description

- Housing** - Die cast aluminium powder coated with choice of RAL colors
- Diffuser** - Polycarbonate optical lens.
- LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.
- Standards** - manufactured in accordance with tested as per PTPS IEC 62722
