

Objective

The luminaire has features such as long life span, limited maintenance and constant lifetime performances. It uses high quality Led source, with low energy consumptions. It is suitable for application as public, residential or pedestrian areas, parks, gardens and shopping malls. The emitted light is soft, homogeneous, pure and comfortable. The light beams are asymmetric to deliver a unique effect on the wall.

Obiettivo

L'apparecchio presenta caratteristiche come lunga durata, manutenzione limitata e prestazioni costanti. Utilizza sorgenti Led di alta qualità, con bassi consumi energetici. È adatto per l'applicazione in aree pubbliche, residenziali o pedonali, parchi, giardini e centri commerciali. La luce emessa è morbida, omogenea, pura e confortevole. I fasci di luce sono asimmetrici per procurare un effetto unico sulla parete.

Description

Housing - Made of die cast aluminum powder coated with choice of RAL color

Diffuser - Clear tempered glass with optical lens diffuser specially for LED

Reflector - Anodized aluminum.

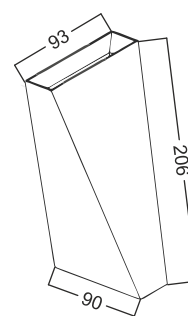

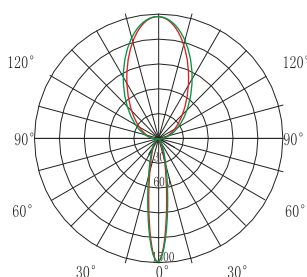

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with tested as per PTPS IEC 62722
