

Objective

Classic shape in the two option: surface light and spike light. Both the options are classic in design and character, equipped with three LED light sources to ensure high quality illumination results. The choice of high quality materials for the body and all the electrical components is a warranty of product's long life and safety, from the installation to the working hours, for the electrical system and, more important, for the people.

Obiettivo

Forma classica nelle due opzioni: applique e proiettore. Entrambe le opzioni sono classiche nel design e nel carattere, dotate di tre sorgenti luminose a LED per garantire risultati di illuminazione di alta qualità. La scelta di materiali di alta qualità per il corpo e tutti i componenti elettrici è una garanzia della lunga durata e della sicurezza del prodotto, dall'installazione alle ore di lavoro, per l'impianto elettrico e, cosa più importante, per le persone

Description

Housing - Made of dia cast aluminum powder coated with choice of RAL color.

Diffuser - Tempered clear glass diffuser specially for LED with optical PMMA lens.

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with EN 60598-1 and 60598-2-1

Accessories - Spike mounting kit.
