

**Objective**

High resistance raw materials to provide a weatherproof item, powder coated aluminium housing with adjustable mounting base, ground mounting stake, and glare shield. The light source is a highly efficient LED system, which provides high performances paying attention to consumptions. The result is a stylish item with "green" character thanks to the considerable energy saving with it possible.

**Obiettivo**

Materie prime ad alta resistenza per fornire un articolo resistente alle intemperie, alloggiamento in alluminio verniciato a polvere con base di montaggio regolabile, supporto da terra e schermo antiabbagliamento. La sorgente luminosa è un sistema LED altamente efficiente, che procura alte prestazioni prestando attenzione ai consumi. Il risultato è un oggetto elegante con un carattere "green" grazie al notevole risparmio energetico possibile.

**Description**

**Housing** - Die cast aluminium alloy grade 5052 housing and mounting bracket.

**Diffuser** - Clear Tempered Glass.

**Reflector** - Polished anodized aluminum reflector.

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

**Standards** - manufactured in accordance with tested as per PTPS IEC 62722.
