

Objective

Clean profiles, coated in matt colour, defined lines and important diameter are the promise that this projector will be noticed. The LED technology here mounted ensures the quantity and the quality of the lumen output: le luminaire emits pure, homogeneous and uniform light. Distinguished for its essential design, the Tracitly projector is clearly studied for retail projects. This projectors applied on 2 phase, 3 wires rail connected to high voltage which gives freedom of projectors mounted into one single rail.

Obiettivo

Profili puliti, rivestimento in colore opaco, linee definite e diametro importante sono la promessa che questo proiettore verrà notato. La tecnologia LED qui montata garantisce la quantità e la qualità dell'emissione del lume: le apparecchio emette luce pura, omogenea e uniforme. Distinto per il suo design essenziale, il proiettore Tracitly è chiaramente studiato per progetti di vendita al dettaglio. Questi proiettori sono applicati su binari a 2 fili e 3 fili collegati all'alta tensione che offre libertà ai proiettori montati su un unico binario.

Description

Housing - Die cast aluminium with option of RAL powder coating finish.

Diffuser - Tempered clear glass or PMMA polycarbonate

Reflector - Anodized aluminium reflector

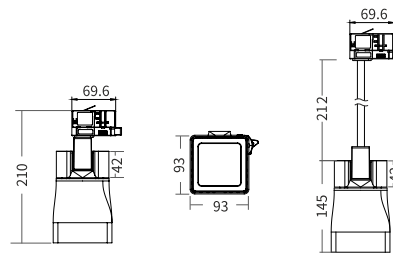

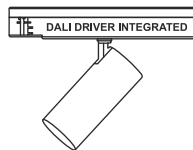

LED - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

Standards - manufactured in accordance with EN 60598-1 and 60598-2-1
