

**Objective**

Classic shape and minimal design are enclosing here a high efficiency and high powerful LED system, which is basic to ensure as the high efficiency of the device in lumen output as the energy savings and the payback timing. The item comes equipped with reflector and clear protection glass or with Opal polycarbonate diffuser. Suitable for many and different applications.

**Obiettivo**

Classica forma e design minimalista racchiudono qui un sistema LED altamente efficace ed altamente potente, che è fondamentale per assicurare tanto l'alta efficienza del dispositivo per quanto concerne la resa in lumen quanto il risparmio energetico e i tempi di "ripago". L'articolo si presenta equipaggiato di riflettore e vetro trasparente di protezione oppure con il diffusore opaco in policarbonato. È adatto per vari e differenti impieghi.

**Description**

**Housing** - Die cast aluminium powder coated with choice of RAL colors

**Diffuser** - Clear tempered glass diffuser.

**Reflector** - Specular anodized ppt alum reflector.

**LED** - reducing energy consumption with L80/B10/F10 50,000 hrs lifetime.

**Standards** - manufactured in accordance with tested as per PTPS IEC 62722

**Reflector Colors** - Electroplate, Silver, Black, Golden
